Dear Neighbor,

Did you know that right in your own backyard is Orange County's finest childcare center? For 25 years, it has been my pleasure to participate in the lives of children and parents wanting a safe, encouraging and fun place for childcare. I truly have been blessed to be doing what I enjoy – Making a Difference in the Lives of Children.

Each year, our center has a fun-filled, Vegas-style casino night fundraiser to support our programs. This year, I would like to ask for your donation to be used as a prize in one of our many drawings to be held during our casino night. Your business will not only receive recognition prior to and during the event, but is invited to come and enjoy the evening with us June 15<sup>th</sup> as my VIP guest.

Thank you for helping me, help our local families.

Beverly Woolley  
Owner  
Afterschool Team Activity Club, Inc.

Since its inception in 1982, the Afterschool Team Activity Club has been providing quality summer camps and after-school programs to meet the ever changing needs of children and their parents. The ATAC has a unique program that goes beyond the boundaries of traditional childcare, providing innovative activities for children of all ages. Our well trained and experienced staff members are always involved with the children, encouraging co-operation and teamwork. Through our activities, the staff works to build each child's confidence and self esteem. We offer children a safe environment to do the activities that they enjoy, and the guidance to build the social skills they will need to succeed in life. It is our goal to provide children with experiences, friendships, and memories that will last them a lifetime.
